DEPT.: Public Works

TITLE: 2002-03 Annual Slurry Seal Program,
Project 03-03—Accept Construction

RECOMMENDATION

Accept 2002-03 Annual Slurry Seal Program, Project 03-03, and authorize the final contract payment.

FISCAL IMPACT

The 2002-03 Annual Slurry Seal Program, Project 03-03, is a funded capital improvement project with a total project budget of \$102,000. The final construction cost of \$60,670 is within the construction budget of \$66,540.

BACKGROUND AND ANALYSIS

On May 27, 2003, the City Council awarded the construction contract to Valley Slurry Seal Company of West Sacramento, California, at the low bid price of \$66,540, which included a \$5,000 construction contingency. The streets that received the pavement surface treatment are shown on Attachment 1. The final construction cost included one change order for final measured quantity adjustments, resulting in a contract savings of \$870.
